

COLD / FREEZER ROOM

A WEALTH OF EXPERIENCE IN THE INSTALLATION OF WALK IN REFRIGERATORS, HOLDING FREEZERS, BLAST FREEZERS AND GENERAL COLD ROOMS. OUR INSULATED PANEL SUPPLIER IS ONE OF SOUTH AFRICA'S TOP QUALITY MANUFACTURERS IN THE FIELD AND OUR TECHNICAL PARTS

Naturally, we also provide repair and maintenance services to the above mentioned appliances using top technical knowledge and parts. Our clients include top restaurants, catering firms and private individuals in South Africa.

INITIAL EVALUATION

During the initial stages of your project it's important to discuss different options to find the one that best suits your business.

As your project develops, we will provide support every step of the way.

- * Detailed quotations
- * Product specification
- * Technical back-up
- * Assistance with site surveys

By talking to us at the inception of any project we can help you avoid costly and time-consuming pitfalls. You are considering a new development or even changes to an existing facility, talk to us first - it could save you a lot of time.

INSTALLATION

At Bonanza our company culture is focused on quality. Every installer is qualified and takes pride in their work.

Our aim with every installation is to get it right first time.

This process starts with our thorough planning and manufacturing processes.

Whether you require a new build, refurbishment or extension, will offer you first-class service every step of the way.

ONGOING SUPPORT

In today's dynamic business environment, flexibility and adaptation to change are vital ingredients for any successful company.

As your business develops and your needs change, we will help you by providing long-term advice and support. We keep in regular contact with you and are always available to give maintenance advice or help with alterations, repairs, reconfigurations and extensions.

By maintaining this relationship we can help you plan for the future and keep you up to date with changes and developments.
